Message from Chamber President, Sara Lochner-Goff
Summertime Fun

Summer- green grass, warm sun and fun! Whitley County is a great place to enjoy summer. We have wonderful lakes, parks, festivals, a camp... there is something for everyone!

June was full of activities! Festivals- Turtle Day in Churubusco, Old Settlers Day in Columbia City. Baseball season is in full swing, so our parks are full of cheering fans. I have seen several families enjoying the splash pad, walking and bike paths, playground areas, and local farmers markets. I hope you all

took part in the "Don't Leave Town" promotion and enjoyed one of the many events that happened on June 25th. Looking ahead to July, I see many more events on the horizon. The 4th of July celebration, 4H Fair, concert's on the square and so much more!

You can always find information at The Chamber on upcoming events. Events are listed on our website, and are posted in our lobby- stop in anytime! To keep our community "in the know," the Chamber is putting together a Whitley County Visitor's Guide for 2012. This will be an important piece for visitors, those just moving to our community and those who have lived here their entire lives. A one stop shop for all that is great about Whitley County. We will begin the process of collecting information for the guide this summer, so please expect to hear from us as we don't want to leave anyone out!

I hope you enjoy our great community and all the wonderful things Whitley County has to offer. Enjoy a fun-filled summer!

The Ambassador Team of the Whitley County Chamber of Commerce announced that the July winner of the Business of the Month award is DQ Grill & Chill. Located on Main Street, this restaurant staple in Columbia City has been serving ice cream treats to our community for more years than most of us can remember. The Dairy Queen franchise began in 1938 and by 1941 had opened almost 10 stores in the franchise. After World War II, the franchise exploded and their 5900 restaurants can now be found in countries all over the world. Local franchise owners Doug and Tammi Woodward converted the Dairy Queen into the DQ Grill & Chill / Orange Julius, serving a variety of meals, hot food items and smoothies along with their famous ice cream cakes and treats.

With 30 employees, Columbia City's DQ is one of the 40 stores across the United States and Canada that is a certified training location with trainees coming from as far away as Georgia, West Virginia and North Dakota. Franchisees and managers spend two weeks in two separate training sessions learning how to make products, learn customer

service skills and management duties. Doug represents over 420 DQ franchises of the Eastern Great Lakes region at the DQ Franchisee Advisory Council.

DQ regularly provides a free ice cream cake to other Business of the Month award winners as well as sponsoring and supporting a wide variety of non-profit endeavors. For their commitment to both the Chamber and the community and for their excellence in progressive business standards, the Ambassador Team awards this honor to them for July. Present for the presentation of the award were (left side of photo) Ambassadors Mechelle Simon, Miller's Merry Manor; Jim Landrum, STAR Financial Bank; Nancy Reiff, Reiff Construction; and Chamber President Sara Lochner-Goff as well as many from the staff of DQ Grill and Chill (right side of the photo -front row left to right) Tammi Woodward, owner; Employees Miranda Rohrer, Amber Lecklider, Kelsey Graves (back row left to right) Brandon Davis, Ashley Woodrell, Kurtis Little, Chrissy Sinegar, Brooke Woodrell, and Vicki Darr.

August Business Of The Month: Whitley County Council on Aging

** If you would like to nominate a Chamber member as Business of the Month, please submit a short synopsis via fax (260.248.8162) or email (www.whitleychamber.com).*

“Founded by physicians.
Not for profit.
Devoted to customer service.

You're sure you're a health
insurance company, right?”

It's easy to become jaded about health insurance. Especially in these days. But at PHP, we don't do jaded. You see, PHP was founded by doctors with a mission to treat our customers just the way they would treat their patients. And we're not-for-profit, so our focus is on you, and your care, not our bottom line. Give us a call or visit us online and find out what makes PHP different from most other health insurance companies.

Adopt a Soldier

Monday, June 13th
thru
Friday, July 15th

We will be collecting items for soldiers again this year. Last year, you helped us send hundreds of items overseas. Sending these care packages reminds our troops that they are not forgotten and that our country stands behind their efforts.

A complete list of items is available on our website at www.mwafcu.org or you may ask an employee. Monetary donations will also be accepted to purchase any remaining items not collected and will be used to help offset the cost of shipping the care packages.

Consider picking up an extra item or two on your next trip to the grocery store.

“The troops were so happy to receive items and I took pictures so you can see the smiling happy faces that you made happen! The guys said that this was so amazing and that it was great to feel so supported! It was really like a miracle for us! You have no idea how much of a huge impact you've made on our service members and the morale.”
